Dear Licensee:

This is in response to the above application filed on July 11, 2019, for special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA is to allow the WEDW to transition from its current, pre-auction channel to its post-auction DTV channel at its existing site. The current site will serve as DTS site one when WEDW completes construction of its permitted distributed transmission system ("DTS").

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 23, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
