Dear Licensee:

This is in response to the above application filed on July 8, 2019, for special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA request is to allow WFXP to temporarily operate with an interim antenna while the new post-auction main antenna is installed. The proposed operation will completely encompass WFXP's community of license and will not exceed its pre-auction protected noise limited contour in any azimuthal direction.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 2, 2019**.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
