Dear Licensee:

This is in response to the above application filed on July 11, 2019, for special temporary authority (STA) to operate at variance. You indicate that in order to meet the August 2nd transition date, the WMHT STA facility will operate on post-transition channel 25 at reduced ERP with a temporary nondirectional antenna on the existing WMHT tower. There will be no change in the overall structure height of the existing tower.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 23, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
