Dear Licensee:

This is in response to the above application filed on July 30, 2019, for special temporary authority (STA) to operate at variance. You indicate that this STA is needed to operate the channel 28 pre-transition licensed facility through an interim antenna mounted below the licensed antenna. This will help facilitate the decommissioning of the pre-transition facility so that the construction permitted post transition facility can be built.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 6, 2019**

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long horizontal stroke at the end.
