Dear Licensee:

This is in response to the above application filed on August 1, 2019, for special temporary authority (STA) to operate at variance. You indicate that this STA request is to operate on pre-auction Channel 23 with an interim antenna prior to transition. This operation is needed in order to accommodate tower work, main transmission line replacement, removal of existing Channel 23 main antenna, and installation of broadband antenna for post-auction channel 22.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 18, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
