Dear Licensee:

This is in response to the above application filed on August 6, 2019, to operate at reduced effective radiated power (ERP). You indicate that the Station has been operating WCMV(TV) at approximately 41% of its authorized effective radiated power since July 29, 2019 and expects to continue operating at this reduced power until its upcoming post-incentive auction repack transition date.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 18, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin R. Harding", is written over the typed name and title.
