In Re: Special Temporary Authority
For Station WHTN
Murfreesboro, Tennessee
Application File No. 0000080488
Fac Id: 11117

Dear Licensee:

This is in reference to your August 21, 2019 request seeking special temporary authority (STA) to operate TV station WHTN, Murfreesboro, TN, on its post-transition channel at reduced power while the station's main antenna and transmission line are installed and the station's channel 16 facility is completed and made operational.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 26, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
