In Re: Special Temporary Authority  
For Station KWSD  
Sioux Falls, South Dakota  
Application File No. 0000080748  
Fac Id: 29121

Dear Licensee:

This is in reference to your August 29, 2019 request seeking special temporary authority (STA) to operate TV station KWSD, Sioux Falls, SD, with reduced parameters while the station takes steps to repair transmitter equipment issues and restore full power operations. You state that station KWSD has encountered transmitter equipment problems that have made full power operations not viable and has been operating its authorized power since August 2, 2019.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 16, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
