In Re: Special Temporary Authority  
For Station WNCN  
Goldsboro, North Carolina  
Application File No. 0000080526  
Fac Id: 50782

Dear Licensee:

This is in reference to your August 22, 2019 request seeking special temporary authority (STA) to operate TV station WNCN, Goldsboro, NC, on its post-transition channel with an interim antenna at reduced parameters while the station's main facility is built-out and made operational.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 26, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long, sweeping tail on the final letter.
