In Re: Special Temporary Authority
For Station WBIH
Selma, Alabama
Application File No. 0000080544
Fac Id: 84802

Dear Licensee:

This is in reference to your August 23, 2019 request seeking special temporary authority (STA) to operate TV station WBIH, Selma, AL, on its pre-transition channel with reduced power while construction is completed on the station's post-transition facility.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 06, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
