In Re: Special Temporary Authority
For Station WNGH-TV
Chatsworth, Georgia
Application File No. 0000081026
Fac Id: 23942

Dear Licensee:

This is in reference to your September 09, 2019 request seeking special temporary authority (STA) to operate TV station WNGH-TV, Chatsworth, GA, on its post-transition channel with reduced parameters while installation of the transmitter's amplifiers is completed so the station's main facility will be able to achieve the authorized power.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 9, 2020**.

Sincerely,
