In Re: Special Temporary Authority
For Station WTCV
San Juan, Puerto Rico
Application File No. 0000081136
Fac Id: 28954

Dear Licensee:

This is in reference to your September 10, 2019 request seeking special temporary authority (STA) to operate TV station WTCV, San Juan, PR, from the WRXD(FM) site to maintain the station's licensed operations. You state that WTCV(DT) and WJPX(TV) are parties to a channel sharing agreement to share Channel 21 but have encountered transmitter equipment problems that have made the operation of the two stations from the WJPX(TV) licensed site unreliable.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 16, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
