In Re: Special Temporary Authority
For Station K36DB-CD
Avon, Vail, Colorado
Application File No. 0000082490
Fac Id: 23179

Dear Licensee:

This is in reference to your September 27, 2019 request seeking special temporary authority (STA) to remain silent. You state that a failure in the transmitter link equipment has forced the station to be off the air since September 29, 2019 and that the licensee is working on repairing the equipment and restoring service.

In light of the above, special temporary silent authority IS GRANTED pursuant to Sections 73.1740 of the Commission's Rules. This authorization expires on **March 29, 2020**.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
