In Re: Special Temporary Authority
For Station WTCI
Chattanooga, Tennessee
Application File No. 0000086450
Fac Id: 65667

Dear Licensee:

This is in reference to your October 15, 2019 request seeking special temporary authority (STA) to operate TV station WTCI, Chattanooga, TN, on its post-auction channel with facilities substantially identical to the station's authorized repack construction permit while construction work on a new tower is completed for WTCI's post-auction operations.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 09, 2020**.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long, sweeping tail on the final letter.
