In Re: Special Temporary Authority  
For Station KPJR-TV  
Greeley, Colorado  
Application File No. 0000086814  
Fac Id: 166510

Dear Licensee:

This is in reference to your October 17, 2019 request seeking special temporary authority (STA) to operate TV station KPJR-TV, Greeley, CO, on its licensed channel using the main facility with reduced parameters while the Station resolves issues with its transmitter.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **April 28, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
