In Re: Special Temporary Authority
For Station WXPX-TV
Bradenton, Florida
Application File No. 0000087864
Fac Id: 6601

Dear Licensee:

This is in reference to your November 1, 2019 request seeking special temporary authority (STA) to operate TV station WXPX-TV, Bradenton, FL, on its pre-auction channel using an interim antenna with reduced parameters while the station's main facility is completed and made operational.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 17, 2020**.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, sweeping flourish at the end.
