In Re: Special Temporary Authority
For Station WLNE-TV
New Bedford, Massachusetts
Application File No. 0000087772
Fac Id: 22591

Dear Licensee:

This is in reference to your October 31, 2019 request seeking special temporary authority (STA) to operate TV station WLNE-TV, New Bedford, MA, on its post-auction channel with reduced parameters while transmission line work is completed to make the main facility fully operational.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority **IS GRANTED** pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 17, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long, sweeping tail on the last name.
