In Re: Special Temporary Authority
For Station KASY-TV
Albuquerque, New Mexico
Application File No. 0000088349
Fac Id: 55049

Dear Licensee:

This is in reference to your November 15, 2019 request seeking special temporary authority (STA) to operate TV station KASY-TV, Albuquerque, NM, on its licensed channel at variance while the station works to return to normal operations after experiencing issues with its feed line.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 21, 2020**.

Sincerely,

A handwritten signature in black ink, reading "Kevin R. Harding". The signature is fluid and cursive, with a long, sweeping tail on the last name.
