In Re: Special Temporary Authority
For Station KPDX
Vancouver, Washington
Application File No. 0000120739
Fac Id: 35460

Dear Licensee:

This is in reference to your request seeking special temporary authority (STA) to operate TV station KPDX, Vancouver, WA, with reduced power due to operational constraints from KPDX's broadcast conversion to ATSC 3.0 operations on its licensed channel.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **July 12, 2021**.

Sincerely,

/s/
