For Station KLEI
Wailuku, Hawaii
Application File No. 0000120592
Fac Id: 37105

Dear Licensee:

This is in reference to your August 19, 2020 request seeking special temporary authority (STA) for TV station KLEI, Wailuku, HI, to continue operations utilizing an interim antenna with technical parameters specified in the above referenced application while a site for permanent facility is secured.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 23, 2021**.

Sincerely,

/s/
