In Re: Special Temporary Authority
For Station KFSN-TV
Fresno, California
Application File No. 0000121633
Fac Id: 8620

Dear Licensee:

This is in reference to your September 14, 2020 request seeking special temporary authority (STA) for TV station KFSN-TV, Fresno, CA, to share TV station KMPH-TV's channel 28 facilities to remain on the air due to the widespread California wild fires that continue to threaten KFSN-TV's transmitter site.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **April 12, 2021**.

Sincerely,

/s/
