In Re: Special Temporary Authority
For Station KASA-TV
Santa Fe, New Mexico
Application File No. 0000129836
Fac Id: 32311

Dear Licensee:

This is in reference to your December 17, 2020 request seeking special temporary authority (STA) to operate TV station KASA-TV, Santa Fe, New Mexico, on its licensed channel with an alternate antenna in order to replicate full power operations in lieu of the required repair of the shared broadband antenna.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **June 20, 2021**.

Sincerely,

/s/
