80	(Meters)	
	1484.5	
Out-Of-Channel Emission Mask	Overall Height of Antenna Structure Above Ground	
Stringent	(Meters)	
	See the registration for this antenna structure.	

Waivers/Special Conditions

• This authorization is subject to the condition that low power television is a secondary service, and that low power television and television translator stations must not cause interference to the reception of existing or future full service television stations on either allotted NTSC or DTV channels, and must accept interference from such stations.

Equipment and program tests shall be conducted only pursuant to Sections 73.1610 and 73.1620 of the Commission's Rules.
