In Re: Special Temporary Authority
For Station KMCC
Laughlin, NV
Application File No. 0000156058
Fac Id: 41237

Dear Licensee:

This is in reference to your August 4, 2021 request seeking special temporary authority (STA) to continue operating TV station KMCC Laughlin, NV, from the station's licensed sites¹ with reduced power due to electrical service issues.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority **IS GRANTED** pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 5, 2022**.

Sincerely,

/s/
