In Re: Special Temporary Authority
For Station WINK
Fort Myers, FL
Application File No. 0000160289
Fac Id: 22093

Dear Licensee:

This is in reference to your November 24, 2021 request seeking extension of engineering special temporary authority¹ (STA) to operate TV station WINK, Fort Myers, FL, on its post-auction channel using an interim facility while the station's main facility is completed and made operational.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 22, 2022**.

Sincerely,

/s/
