#### **Obstruction Marking and Lighting Specifications for Antenna Structure**

It is expressly understood that the issuance of these specifications is in no way to be considered as precluding additional or modified marking or lighting as may hereafter be required under the provisions of Section 303 (q) of the Communications Act of 1934, as amended.

#### **Special Operating Conditions or Restrictions**

The permittee/licensee in coordination with other users of the site must reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.

- Program tests for the new noncommercial educational station serving Heart Butte, MT (Facility ID No. 763582) will not commence with the facilities authorized herein until Blackfleet Tribe ceases operation of, and divests all interest in Low Power FM Station KBWG-LP, Browning, MT (Facility ID No. 134853). A license will not be granted for this station with the facilities authorized herein until Blackfleet Tribe divests all interest in KBWG-LP. A certification including the date that KBWG-LP's facility was cancelled or the date the assignment was consummated shall be included as an attachment to the Schedule 302-FM application for license to cover this construction permit (or any subsequent modification of this construction permit).

Subject to the provisions of the Communications Act of 1934, as amended, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this permit, the permittee is hereby authorized to construct the radio transmitting apparatus herein described. Installation and adjustment of equipment not specifically set forth herein shall be in accordance with representations contained in the permittee's application for construction permit except for such modifications as are presently permitted, without application, by the Commission's Rules (See Section 83.875).

Pursuant to Section 73.3598, this Construction Permit will be subject to automatic forfeiture unless construction is complete and application for license is filed prior to expiration.

Equipment and program tests shall be conducted only pursuant to Sections 73.1610 and 73.1620 of the Commission's Rules.
