In Re: Special Temporary Authority
For Station KTXH
Houston, TX
Application File No. 0000170962
Fac Id: 51569

Dear Licensee:

This is in reference to your request seeking special temporary authority (STA) to continue operating TV station KTXH Houston, TX, from the station's licensed site¹ using an auxiliary antenna with alternate parameters.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 30, 2022**.

Sincerely,

/s/
