Re: Request for Invoice Deadline
Extension
WRFB(TV), Carolina, PR
Facility ID No. 54443
LMS File No. 0000185719

Dear Licensee,

On March 2, 2022, Telecinco, Inc. (Licensee), the licensee of WRFB(TV), Carolina, Puerto Rico (WRFB or Station), filed the above captioned request (Request) for extension of the Commission's invoice filing deadline for the TV Broadcaster Relocation Fund (the Reimbursement Fund or Fund) from the second invoice filing assignment deadline of March 22, 2022, to the third and final invoice filing assignment deadline of September 6, 2022.¹ For the reasons below, we grant Licensee's Request and extend the date of the Station's invoice filing assignment deadline to September 6, 2022.

Background. Pursuant to the Commission's direction, the Incentive Auction Task Force and Media Bureau set deadlines for final invoice submission to the Reimbursement Fund using a phased assignment approach.² All repacked stations assigned to Phases 6 through 10 of the Transition Scheduling Plan are required to submit all remaining invoices and supporting documentation using the Reimbursement Form, and initiate interim close-out procedures, no later than March 22, 2022. We stated that we did not anticipate a need to grant extensions because the deadline is more than a year after the July 13, 2020, statutory end of the transition period and more than a year after the announcement of the invoice filing assignment deadline. However, in the unlikely event that an entity faces circumstances beyond its control, we may consider a limited extension by means of shifting an entity with the second (March 22, 2022) invoice filing assignment deadline to the third and final (September 6, 2022) invoice filing assignment deadline.³ An entity requesting such a shift must provide evidence that circumstances requiring the extension were outside of its control, such as local zoning or a force majeure event occurring

¹ The third and final invoice filing deadline was set for September 5, 2022. However, because Labor Day, a federal holiday, falls on Monday, September 5, 2022, the third and last invoice filing deadline is Tuesday, September 6, 2022. *See TV Broadcaster Relocation Fund Invoice Filing Deadline Approaches In Sixty Days*, Public Notice, DA 22-72, para. 4 (MB/IATF Jan. 21, 2022).

² *See Expanding the Economic and Innovation Opportunities of Spectrum Through Incentive Auctions*, Report and Order, 29 FCC Rcd 6567, 6815-16, 6819, paras. 607, 616-17 (2014) (*Incentive Auction R&O*), subsequent history omitted; *Invoice Filing Deadlines for TV Broadcaster Relocation Fund*, Public Notice, 35 FCC Rcd 11273, 11277, paras. 10-11 (MB/IATF 2020) (*Invoice Filing Deadline PN*) (setting three filing deadlines for submission of all remaining repack invoices: for eligible entities assigned repack transition completion dates in the first half of the 39-month post-auction transition period, the deadline for submitting all remaining invoices is October 8, 2021; the deadline for entities assigned completion dates in the second half of the transition period is March 22, 2022; and the deadline for all other participants in the reimbursement program is September 6, 2022).

proximate to the final submission deadline.⁴ We will not consider the availability of reimbursement or the status of specific reimbursement requests to be a mitigating factor in evaluating extension requests and we will not grant extensions that do not provide the staff with sufficient processing time to complete close-out procedures for all stations.⁵

Licensee requests an extension of the invoice filing assignment deadline from the second (March 22, 2022) to the third and final (September 6, 2022) invoice filing assignment deadline for the Station. The Station transitioned to its post-auction channel and currently is operating on its post-auction channel from interim facilities.⁶

Licensee states that it will not complete construction by the March 22, 2022 deadline due to circumstances beyond its control. As noted in its previous extension request, the Station's local tower construction company went bankrupt in 2021, necessitating the hiring of a new company. Now Licensee states that ERI, the Station's tower vendor, hired a local crew and has completed constructing the tower foundation. Due to severe supply-chain delays, however, the new tower has not yet been shipped to Puerto Rico. Licensee could not even obtain a firm shipping date as of February 28. Licensee hopes that the new tower will be shipped soon so that the local crew can erect the tower and rig the antenna by September 6, 2022. Licensee states that new invoices will be submitted to the Commission for reimbursement upon issuance by ERI.

Discussion. Upon review of the facts and circumstances presented, we find that sufficient circumstances exist to extend the Station's invoice filing assignment deadline from the second (March 22, 2022) to third and final (September 6, 2022) invoice filing assignment deadline. Licensee has demonstrated that circumstances beyond its control require the extension. We also find that grant of Licensee's request is not likely to negatively impact the staff's ability to process the Station's invoices or its ability to complete close-out procedures for all stations. We therefore conclude that the public interest will be served by grant of the extension. We strongly encourage the Station to diligently pursue submission of all remaining invoices and initiate close-out procedures as early as possible without waiting for the third and final (September 6, 2022) invoice filing assignment deadline. We remind Licensee that pursuant to the Spectrum Act, the Station is eligible for reimbursement for costs "reasonably incurred . . . in order for the licensee to relocate its television service from one channel to the other."⁷ Additional expenses incurred, such as expenses resulting from changes in a Station's transition plan that are not related to the post-incentive auction channel change, may not be reimbursable from the Fund.

We caution the Station that we do not anticipate allowing further extensions of the final September 6, 2022 invoice filing deadline. The Station's failure to complete any remaining construction in a timely manner and to make final submissions by the assigned invoice filing assignment deadline could preclude the Station from receiving full reimbursement. Unobligated amounts in the Fund must be rescinded to Treasury and the Commission staff (with the support of the Fund Administrator) must have sufficient time to fully process all reimbursement requests and complete

close-out procedures prior to July 3, 2023.⁸ The Fund Administrator will initiate close out procedures for any entity that has failed to initiate interim close-out procedures by the September 6, 2022 invoice filing deadline. Any unused allocations made to that entity's account will be returned to the Fund and made available for allocation to other program participants or rescinded to Treasury.

In consideration of the above facts, Telecinco, Inc.'s request for extension of invoice filing assignment deadline **IS GRANTED**. The invoice filing assignment deadline for WRFB, Carolina, Puerto Rico, **IS MODIFIED TO September 6, 2022**.

Sincerely,

/s/
