In Re: Special Temporary Authority
For Station WYES-TV
New Orleans, LA
Application File No. 0000242766
Fac Id: 25090

Dear Licensee:

This is in reference to your April 1, 2024 request seeking special temporary authority (STA) to continue operating TV station WYES-TV New Orleans, LA from station's licensed site¹ with an interim antenna on its new channel while it builds-out its main facility.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 2, 2024**.

Sincerely,

/s/
