Request for Extension of Special
Temporary Authority to Remain Silent

Dear Mr. Trent:

This letter concerns the request you filed on September 9, 2023, on behalf of Norsan Consulting and Management, Inc. (NCM), for extension of Special Temporary Authority (STA) to permit AM Radio Station WNNR to remain silent.

Commission records reflect that NCM stated that Station WNNR(AM) went silent on September 7, 2023, for technical reasons. The previous STA was granted on September 20, 2023, and expired on March 20, 2024. NCM requests extension of its STA for continuing technical reasons.

NCM's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WNNR(AM) to remain silent until September 7, 2025. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WNNR(AM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., September 8, 2024.**¹

NCM is required to notify the Commission when broadcast operations resume.² If NCM does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to section 312(g) of the Communications Act, as amended.³

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of

The records shall include start/stop dates and times of such operation. These log entries must be maintained for a minimum of two years as specified in 47 CFR § 73.1840(a), unless a longer retention period is requested by the staff. Periods of operation may be subject to independent verification that they in fact occurred.
