In Re: Special Temporary Authority  
For Station KLVX  
Las Vegas, NV  
Application File No. 0000240395  
Fac Id: 11683

Dear Licensee:

This is in reference to your March 12, 2024 request seeking special temporary authority (STA) to continue operating TV station KLVX, Las Vegas, NV from the station's licensed site<sup>1</sup> with reduced power while replacing its main transmitter.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved. After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 18, 2024**.

Sincerely,

/s/
