Special Temporary Authority (STA)  
LMS File No.: 0000243361

Dear Mr. Henderson:

This is in reference to the request filed on April 10, 2024. SCHC requests a further extension of the STA granted on October 3, 2022, to continue operating ND with reduced power to allow time to file the required 302-AM application after installing two new replacement towers to replace those destroyed by Hurricane Ian back in 2022.<sup>1</sup> In support of the request, SCHC stated that it continues to move forward with the project to restore licensed operations.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and SCHC may continue to operate ND using either tower #2 or #4 with a maximum of 1.25 kW daytime and 0.75 kW nighttime. SCHC must reduce power further or cease operations if complaints of interference are received, and must use whatever means are necessary to protect workers and the

<sup>2</sup>Periods of operation pursuant to this STA shall be recorded in the station's records (see 47 CFR § 73.1820). The records shall include start/stop dates and times of such operation. These log entries must be maintained for a minimum of two years as specified in 47 CFR § 73.1840(a), unless a longer retention period is requested by the staff. Periods of operation may be subject to independent verification that they in fact occurred.
