Dear Licensee:

This refers to the above mentioned application dated May 12, 2017 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that KYVV resumed operations with reduced power on May 11, 2017, after being silent. When SATV10 undertook bringing the station back on the air, the transmission equipment was unable to generate full power consistent with the station's licensed facilities.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on November 16, 2017.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
