Dear Licensee:

This refers to the above mentioned application dated August 2, 2017, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that KPAZ-TV experienced failure on June 30, 2017 and has been operating at less than 80% of authorized power since that date.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on February 7, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
