Dear Licensee:

This refers to the above mentioned application dated February 26, 2018, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that the station went dark on July 25, 2017 due to antenna failure issues. The station resumed operation at the reduced power of 1.0 kW on February 9, 2018.2 Mission seeks special temporary authority to continue to operate the station at 1.0 kW until repairs are completed and the station is returned to full authorized operation.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on August 27, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
