Dear Licensee:

This refers to your request dated May 23, 2018 requesting special temporary authority (STA) to operate at variance. You indicate that this STA will allow the licensee of KDOR-TV to use an auxiliary antenna to continue its operation on Channel 17 (pre-repack) while the new repack antenna on Channel 36 is installed in the present antenna's aperture. No change in the overall structure height of the existing tower is proposed.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on November 30, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long horizontal stroke at the end.
