Dear Licensee:

This refers to your request dated May 31, 2018 requesting special temporary authority (STA) to operate at variance. You indicate that the station request STA to operate from the co-located KSL-TV licensed auxiliary antenna and (2) to operate on Channel 34 at a reduced power of 161 kW, on a temporary basis to install, test, and transition to the new DTV Utah antenna.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on November 30, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
