Dear Licensee:

This refers to your request dated September 6, 2018, requesting special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA is for KDLT-TV to begin its Channel 21 broadcast operations from a side-mount on its antenna structure in early to mid-October. That would permit KDLT-TV to stay on the air during the period in which it has to remove its Channel 47 antenna from the top of the tower and replace it with a permanent Channel 21 antenna. You mentioned that, grant of this STA application would help ensure a smooth channel transition from Channel 47 to Channel 21, without disruption of broadcasting to the public.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on March 12, 2019.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
