Facility Number: 53819

Dear Licensee:

This refers to the above-mentioned application, dated December 3, 2018 requesting special temporary authority (STA) to operate at variance. You indicate that the instant request for STA seeks ongoing authority for WMOR-TV to operate periodically on its pre-transition channel 19 from the station's interim antenna during certain construction phases of WMOR-TV's repack project to transition from its existing channel 19 to its post-transition channel 18.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **June 6, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is stylized with a large, sweeping "K" and a long, trailing flourish at the end.
