Dear Licensee:

This refers to your request dated January 11, 2019, requesting special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA is to commence initial operation on reassignment Ch. 18 with an interim antenna in order to accommodate remaining tower work. You mentioned that the proposed interim operation will provide the requisite community of license coverage.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **July 1, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to operate the station at full power.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, sweeping "K" and a long, trailing "g".
