Dear Licensee:

This refers to the above-mentioned application filed January 18, 2019, requesting special temporary authority to operate at variance from your current authorization. SUAGM has been able to commence repack operations from its DTS-1 Site in Penuelas, Puerto Rico, but has not been able to begin operations on its DTS-2 Site.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 7, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, sweeping flourish at the end.
