Dear Licensee:

This refers to your request filed on April 2, 2019, for special temporary authority (STA) to operate at variance. You indicate the proposed STA system will be employed for use as an interim antenna to facilitate the repack of WNEM-TV. You mentioned that the WNEM-TV STA facility will operate on Channel 22 using an antenna to be side-mounted on the WNEM-TV main facility tower at a height of 276.0 m above ground level. There will be no change in the overall height of the existing structure.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 3, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
