Dear Licensee:

This is in response to the above application filed on June 13, 2019, to operate at reduced effective radiated power (ERP). You indicate that WWTO-TV experienced equipment failure on May 14, 2019 and is currently operating at 50% authorized power.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **December 18, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding".
