Dear Licensee:

This is in response to the above application filed on June 28, 2019, for special temporary authority (STA) to operate at variance. You indicate that the station was assigned Channel 22 for its post-incentive auction facility and it was scheduled to complete construction in Phase 4. You mentioned that WXXI-TV needs to begin construction of its main Ch. 22 post-repack facility, and to be able to start, it must transition to an interim antenna mounted lower on the tower.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 2, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
