Dear Licensee:

This refers to your application filed on June 20, 2019, requesting further extension of your authority to continue to operate at variance. You indicate that the station experienced substantial damage as the result of Hurricane Irma and Maria. You mentioned that WIPM-TV has yet to receive all of the equipment necessary for its Post-Transition facility and must coordinate with other broadcasters to complete the Station's construction.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **December 24, 2019**.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
