In Re: Special Temporary Authority  
For Station WBBH-TV  
Fort Myers, Florida  
Application File No. 0000086833  
Fac Id: 71085

Dear Licensee:

This is in reference to your October 18, 2019 request seeking special temporary authority (STA) to operate TV station WBBH-TV, Fort Myers, FL, on its licensed channel using an interim antenna with alternate parameters while a shared antenna system is installed for station WZVN-TV's post-auction operations.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 13, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive.
