For Station KAZD(TV)
Lake Dallas, TX

Fac Id: 17433

Dear Licensee:

This is in reference to your July 25, 2019 request seeking special temporary authority (STA) to operate TV station KAZD(TV), Lake Dallas, TX with an interim facility on its repack channel due to its inability to complete construction prior to the Phase 4 deadline.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority **IS GRANTED** pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 26, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
