Dear Licensee:

This is in response to the above application filed on July 30, 2019, for special temporary authority (STA) to operate at variance. You indicate that the proposed STA operation will be employed for use as an interim facility to help facilitate construction of WPXA-TV's repack facility. Specifically, WPXA-TV will operate on its current Channel 31 using a side-mount interim antenna until the main antenna for WPXA-TV's post-auction operations is installed and made operational.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 6, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is stylized with a large, looped "K" and a long, sweeping underline.
