In Re: Special Temporary Authority
For Station KUNS-TV
Bellevue, Washington
Application File No. 0000080884
Fac Id: 4624

Dear Licensee:

This is in reference to your September 04, 2019 request seeking special temporary authority (STA) to operate TV station KUNS-TV, Bellevue, WA, on its pre-transition channel with reduced parameters while the station's full power transmitter is installed and its main facility is completed.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority **IS GRANTED** pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 17, 2020**.

Sincerely,
