In Re: Special Temporary Authority
For Station WTTW
Chicago, Illinois
Application File No. 0000087046
Fac Id: 10802

Dear Licensee:

This is in reference to your October 22, 2019 request seeking special temporary authority (STA) to operate TV station WTTW, Chicago, IL, on its post-auction channel using an interim antenna with alternate parameters while the station's main facility is completed and made operational.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **April 22, 2020**.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding". The signature is written in a cursive style and is positioned above the typed name and title.
